EXPERIENCE

TruVideo — Wellesley, MA
Product & Data Intern — *Jun 2026 – Aug 2026*

- **Led a product launch end to end**: scoped from customer research, wrote the requirements, **set the KPIs**, gated release on a **controlled 36-account test against a concurrent holdout group**, and shipped to **4,000+ accounts** on schedule.
- **Monitored adoption, usage and engagement** in production with **SQL and Python**, then turned each drop-off into a prioritized requirement.
- **Made a data-driven call on competing AI models**, benchmarking both against raw production data and cutting **misdetection 46.2% → 30.8%**, which decided what shipped.
- **Was the voice of the product** across engineering, finance, vendors and the **CPO**, building the **business case** that projected **$450K+ annualized revenue**.

Skill Quotient Group — Remote
Product Management Intern — *Feb 2025 – Jun 2025*

- Shipped **10+ releases** with a **20-person cross-functional team** of engineers, designers and QA across 4 countries, holding a **high quality bar** through the full **Agile SDLC**; **cut edge-case defects 25%**.
- **Drove alignment** in architecture and design reviews, **communicating tradeoffs** to technical and non-technical partners; **reduced escalations 40%**.

Legitimate India — New Delhi, India
Product Intern — *Feb 2023 – May 2023*

- Ran **competitive analysis across 15+ products** and **5+ build cycles**, shipping **8 MVP features**.

PROJECTS

Arcus - Investing & Portfolio Risk Platform | Founder | Python, FastAPI, NumPy/SciPy, React 18, TypeScript | Live

- **Founded and shipped** a live **retail investing analytics product** in **3 weeks**, now at **75+ active users**: computes **Value at Risk**, **Conditional VaR**, **Sharpe** and **Calmar** ratios, **Monte Carlo** stress tests and **constrained portfolio optimization** in NumPy and SciPy.
- Built a **human-in-the-loop AI evaluation harness** to measure and correct model output before it reaches a user making a financial decision, holding **90% accuracy** in production.

ML Fraud Detection - Transaction Risk Pipeline | Python, SQL, Scikit-learn, Logistic Regression, Streamlit Link

- Built a dual-engine **transaction risk classifier** over **284,807 financial records**, handling **severe class imbalance** and tuning on **precision and recall**; **cut false positives 35%** and review time **90%**.

Campus Mobile App - Consumer Launch | Team Lead | Flutter, Dart, Firebase, REST APIs Link

- **Led 7 engineers and designers** to launch a consumer app on **Google Play** in **8 weeks**: **2,000+ users**, **700+ daily actives**, and a store rating lifted **3.6 → 4.2** after reprioritizing the roadmap on **engagement data**.

SKILLS

Product: Product Strategy & Execution, **KPI Definition & Tracking**, **Launch Management**, Product Requirements, **Experiment Design**, Adoption & Engagement Analysis, Prioritization, User Research, Competitive Analysis, Cross-Functional Communication.
Fintech & Quantitative: Risk Modeling (VaR, CVaR), **Portfolio Analytics** (Sharpe, Calmar), **Monte Carlo Simulation**, Constrained Optimization, **Transaction Fraud Detection**, Revenue & Business Modeling.
Technical & Data: Python (Pandas, NumPy, SciPy, Scikit-learn), **SQL**, TypeScript, FastAPI, React 18, Flutter, REST APIs, Git, CI/CD, Hypothesis Testing, Large-Dataset Analysis.
AI: LLM Workflows (Claude, Gemini), Multi-Agent Orchestration (LangGraph), **Model Evaluation & Eval Harness Design**, AI-Assisted Prototyping.

EDUCATION

New York University — New York, NY
M.S. in Management of Technology — *Expected May 2027*

- **NYU Merit Scholarship**, $18,000, awarded to the top 10% of the cohort.

Thapar Institute of Engineering and Technology — Patiala, India
B.E. in Computer Engineering — *Oct 2021 – Jun 2025*

ACHIEVEMENTS

- **Smart India Hackathon Winner:** Won amongst 5,000+ teams; shipped a working prototype in 36 hours.
- **NYU Leslie eLab Startup Bootcamp:** Selected as a high-potential AI venture (Arcus).
- **Project Portfolio:** 3 end-to-end product launches, all live: shreyas1504.github.io/Sai-Shreyas-Portfolio.
